

# Premium Indiana Forest Products Branding Logo

## INTRODUCING THE PREMIUM INDIANA FOREST PRODUCTS™ PROGRAM.

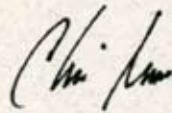

It's time to let the rest of the country — and the rest of the world — in on what we've known for years: you simply will not find better materials, better craftsmanship or better people to work with than the ones who represent the Indiana forest products industry.

To start spreading the word, we've created a unified branding program available exclusively to Indiana Hardwood Lumbermen's Association members. Everything you need to get started — including program logos you can easily use on your marketing materials and products — is on the enclosed disc.

Together, we've grown an industry we can all be proud of. Now it's time to make our mark.  
We thank the Indiana State Department of Agriculture for their assistance, and we welcome your support.
