September 23-27, 2019 | Wood-Mizer Products, Inc.  
8180 W. 10th St. | Indianapolis, IN 46214

Sponsored by the Indiana Hardwood Lumbermen's Association

The value of "rules conscious" employees is a more carefully manufactured product, a more profitable yield from the log, and a better sense of the value of the lumber being handled. This five day workshop will include a thorough study and explanation of the NHLA Rules Book, emphasizing the basics of hardwood lumber inspection.

This popular workshop gives yardmen, sawyers, edgemen, sales and office staff, and management level personnel an introduction to lumber inspection. Classes will begin at 8 a.m. and end at 4:30 p.m. EDT.

This five-day short course will be taught by Barry Kibbey, NHLA National Inspector.
