

# **Bring “Woods on Wheels” to your community!**

**Woods on Wheels is big and bold, and it’s IHLA’s answer for telling the positive story of forests and forests products in Indiana.**

We want the classroom visiting every town in Indiana, no matter how big or small, and you can play a large role in making that happen. It could be a local elementary school, a county fair, an annual festival, or even a customer appreciation day at your company.

Woods on Wheels was fully funded by IHLA, with the help of donations from some of our members. The ongoing staffing of the bus is made possible by a partnership between Purdue University and the Indiana Department of Natural Resources.

To maintain the bus and fund its fuel, maintenance, licensing and insurance costs, IHLA has established a dedicated fund. In conjunction with requesting a visit to your community, we suggest a voluntary contribution of \$200 to help offset these costs, but be assured that the visit will happen with or without this contribution. (A voluntary dues checkoff & fund-raising events during the year also support this fund).

**If you’d like to sponsor the visit, please complete the form below and return to IHLA.**

Don’t forget to visit the WOW website and complete a visit request form.
